## PRIVACY NOTICE

Maintaining your trust and confidence is at the core of our business. We value the privacy of the information you have entrusted to us concerning the funeral, cremation, or cemetery services we provide to you and your family. This privacy notice is being sent to you on behalf of one or more subsidiaries of Service Corporation International (“SCI”) (collectively referred to herein as “we” and “affiliates” of each other) that offer pre-need or at-need financing (either directly or as an insurance agent, as described below). Although these SCI subsidiaries operate as separate companies, the treatment of nonpublic information by each of them is consistent with this notice.

In the process of providing our financial products and services to you, such as advance (pre-need) trust arrangements or time-of-death financing plans, it is necessary to collect and maintain nonpublic personal information about you, such as your Social Security number, name, address, transaction history, bank account information, and credit-related information such as credit scores. We collect this information when you apply for financing, from any contract with us that you sign, from processing or administering your financial transactions, and occasionally, from credit reporting or collection agencies.

In addition, we sometimes act as insurance agents for a third-party insurance company in connection with advance (pre-need) insurance-funded arrangements. In connection with those services, we may collect information requested by the third-party insurance company, such as (i) Social Security number, name, address, email address, date of birth, phone number, pertinent health condition and medical history, and details of any other life insurance held by the insured individual; (ii) Social Security number, bank account information, credit card information, name, address, and email address associated with the person paying for the insurance; and (iii) beneficiary designations. We forward that information to the third-party insurance company along with information concerning the related arrangements that you have made with us.

We sometimes serve as a re-seller of (pre-need) transportation and relocation plans, and we may collect contact and payment card information in connection with the purchase of such a plan, as well as the name, address, date of birth, and phone number of the beneficiary. We forward some of that information to the third-party transportation and relocation plan provider, along with information concerning the related arrangements that you have made with us.

Consistent with our respect for your privacy:

- We will not disclose nonpublic personal information about our current or former customers or consumers to any affiliates or non-affiliated third parties except as described

**For Insurance Customers:** As stated above, we collect information in our role as an agent for a third-party insurance company. In addition to providing such information to the insurance company, we may provide it to state insurance officials, law enforcement, group policy holders about claims experience, or auditors as the law allows or requires. To see your information or to request that we correct, amend, or delete any information, email us at [privacynotice@sci-us.com](mailto:privacynotice@sci-us.com), and provide your name, address, phone number, name of the insurance company, and policy number (if applicable).

herein, or as permitted by law (e.g., to provide financial, funeral, or other services requested or authorized by you, or to respond to a judicial or administrative order or subpoena, or protect against fraud).

- We may share nonpublic personal information we collect about your transactions and experiences (but not information about your creditworthiness) for everyday business use and marketing purposes by our affiliates who offer funeral, cremation, and cemetery-related products and services. We may share nonpublic personal information with outside service providers who provide support services or marketing services on our behalf. We also may share nonpublic personal information with non-affiliated financial institutions with whom we have joint marketing agreements for the purpose of jointly offering a financial product or financial service to you. You have the right to opt out of such sharing with affiliates and non-affiliated financial institutions, as addressed further below. We require such affiliates, service providers, and financial institutions to refrain from using or disclosing any nonpublic personal information for any purpose other than the one for which it was received.
- We limit access to nonpublic personal information to those employees and representatives who need to know such information in order to serve you. We maintain physical, electronic, and procedural safeguards to protect the security of your nonpublic personal information as required by law.

As set forth above, you may opt out of our sharing of nonpublic personal information concerning you with our affiliates for certain purposes, and you may opt out of our sharing of nonpublic personal information with non-affiliated financial institutions. We will refrain from sharing such information in such a manner for forty-five (45) days, in order to allow you the opportunity to opt out in advance of such sharing. However, you may opt out at any time, and we will honor such opt out thereafter. If you wish to opt out, please follow the procedures on the enclosed form entitled “Important Privacy Choices for Consumers.” Please note that, if you limit sharing of information for an account you hold jointly with someone else, the limitations you select will apply to all persons on the account.
